

# Knockout Potential – First Aid Consent Form

I give permission for Knockout Potential staff to administer basic first aid to my child during sessions if required.

This may include cleaning and dressing minor wounds, applying ice packs, and providing immediate care until a parent, guardian, or emergency services arrive.

In the event of a serious injury or medical emergency, I understand that emergency services may be contacted.

**GDPR Statement:** Personal and medical information is collected solely for safeguarding and first aid purposes and is stored securely in accordance with UK GDPR regulations.

Child's Name:	
Parent / Guardian Name:
